

Looking after your plants and drought resilience

Resources

Native planting

Moutere catchment talk on native planting and weed control by Rob Fryer Future Ecology.

<https://www.youtube.com/watch?v=CttjvAH7EfE>

Tane Tree Trust has lots of great resources

https://www.tanestrees.org.nz/site/assets/files/1069/technical_handbook_complete_-_web.pdf

Native plant podcasts for Moutere catchment (something to listen to while working on your native planting)

Basics <https://soundcloud.com/nzlandcare/nz-landcare-podcast-native-planting-pt1>

<https://soundcloud.com/nzlandcare/nz-landcare-podcast-native-planting-pt2>

<https://soundcloud.com/nzlandcare/nz-landcare-podcast-native-planting-pt3>

Local Moutere landowner David Easton <https://soundcloud.com/nzlandcare/nz-landcare-podcast-native-planting-pt4>

<https://landcare.org.nz/resource/planting/>

Weed control

Weed identification workshop in Moutere catchment from TDC, Weed identification and use of iNaturalist and weed identification photos that locals bought in. Some weeds that need to be eradicated from the region in the first talk by biosecurity Tasman District Council.
